FUTURE FOR IRISH CULTURE

Yeats, Eminent Playwright, Has Gres Confidence in the Developments of the Future.

chair when an address on "The Irish Theater" was delivered by W. B. Yeats at Surgerland house, according to the London Times, said the Irish theater was the most remarkable dramatic theatrical phenomenon this country had som for more than 200 years. "One plenomenon in the theater of our day is the great revival of romantic drama in Europe. We see an effort to establish what was known as English opera, and if that is success ful it will do probably more to re-establish the legitimate literary remantic .!rams than anything else," he

Mr. Trats said the question was often asked, "What is a bad play?" His renly was that it was a play which depended for its success upon fority of plays in London were of that blooming is such profusion before. character and would pass away because they appealed to a temporary interest. It had been said that Ireand they would find a tradition of time. ture, and the Irish theater movement begun 15 years ago would not have been started had there not been con-Edence in that culture. Ireland was of all countries, the least sentiments did not say that victory would come in their lifetime, or for two or three generations, but there would come real national culture out of Ireland.

Fiate to Remove Tarnish

There has just been put upon the market a metal plate that removes tarnisi. from aliver in a few seconds It is a thin sheet made of a combina tion of tuetale; this is put into a dish of hot water in which two tablespoonfuls of washing sods have been dissolved; the silver is immersed in such a way that at least one piece of it touches the plate, then is taken out, rinsed and wiped dry. The dish in which the operation is performed must be of glass, porcelain or enameled metal; if the latter, the enamel

Eastman Kodaks and supplies, at Woolford's.

Ripley County has some judgments sutstanding against it on old warrants. Recently the countrecourt made a payment on these, leaving a balance of \$3,695 yet due.

The attention of our readers is called to the announcement of Norman F. Robinson as a candidate for reelection to the office of County Treasurer on the Republican ticket.

The County Court in session at Hillsboro last Monday agreed to pay a pro rata share according to valuation of the cost of a bridge across Big River, near Blackwell station, providing St. Francois County would also pay its pro rate share. - DeSoto Pimes.

W. F. Mitchell of Caledonia was a day and while here renewed his subscription to the News. He and his daughter, Miss Rosa, had been visiting his brother-in-law, G. W. Taylor, of Doe Ren, and sister, Mrs. Jane Hunt, of Parmington.-Farmington

The weather on Easter Sunday left nothing to be desired. The attendance at the morning services at all the churches was large, and all who had new spring frocks and hats paraded them without concern for J. Pluvius' vagaries. The shortage in dyes has not put any gloom in the tints of feminine raiment so far.

You only get 12 pounds of ordinary granulated sugar for a dollar now at the local stores in these piping days of Democratic prosperity. This represents an advance of about 80 per cent in the cost of sugar in the past few few years Maybe the housewife won't sour on Democratic rule when she views a dollar's worth of sugar.

The county board of equalization sat as a board of appeals Monday and Tuesday of this week and heard a number of complaints from taxpayers who had their assessments raised. As we have said before, the board has done some very necessary work in raising more revenue, but it cannot be said that under the present method of adjusting the tax burden these is much equality.

According to the annual report of just issued, Washington County had only three approved tural schools in 1915; these three were the Fertile, Cadet and Bellefountain schools. As will be noted, they are all three in the north part of the county and in contienous districts. The teachers were-Fertile, Ala Boyert Cadet, John W. Smith: Beliefountain, Melvin J. Po-

ADMINISTRATOR'S LAND SALE

CF 800 AGRES OF

Farm, Fruit, Timber & Mineral Lands

Located in Jefferson and St. Francois counties, in and around the town of Blackwell, Mo., on Big River and along the Iron Mountain Railroad. A number of houses and town lots are included in the tract.

This land is suitable for farming, stockraising and fruit growing, lessides being rich in barytes and lead ores. Mines are now open and are there to be seen at any time.

About 200 acres of the land is in the Big River bottoms - the richest, in this part of the state- and is in a high state of cultivation. The balance of the land, over 600 acres, is in virgin timber, mostly white and black oak, suitable for lumber and railroad ties. All the land is within a 15 minute walk of the railroad station.

Under the will of Lavina Blackwell, deceased, this land must be SCLD AT PUBLIC AUCTION TO THE HIGHEST BIDDER at the Court House in Farmington, Mo.

Sale will begin Thursday, May 4, 1916, at the Court House in Farmington, Mo., at 12 o'clock, noon, and continue until land is sold.

This land will be sold in large or small purcels. Any person can select the portion he wishes to buy and it will be put up at auction. Persons descring to see the hard and got locations can do so by going to Blackwell, Mo., and inquiring for Dr. John Batler, minimistrator of the estate of Lavina Blackwell, deceased, who will show the land and furnish all information desired.

JOHN BUTLER.

Administrator of the estate of Lavina Blackwell, deceased,
